Now that the stress of Christmas is out of the way, it's time to start thinking about ourselves again as summer will be here before we know it, and hopefully this year we will have appropriate weather for bikinis!

Beauty promotions

January

Reflexology is a fantastic and beneficial treatment that helps to reduce stress. As hands and feet help set the tension level for the rest of the body, they are an easy way to interrupt the stress signal and reset homeostasis – the body equilibrium.

Reflexology is the physical act of applying pressure to the feet with specific thumb, finger or hand techniques. Therefore to help with the post-Christmas stress, don't hesitate to contact Bella You for an appointment.

Bella Vou gift vouchers have a 6 month expiry date on them, so you will have plenty of time to make use of them. You can now also purchase all Jessica nail care products, fake bake tanning, and Supercovers make up, Carat and Agera skin care products within the clinic.

Just a reminder

To avoid disappointment please book treatments early.

Fake bake clients please remember to wear loose dark clothing and wax 2 days before.

Pedicure clients please remember to bring open-toed shoes to avoid the nail varnish being smudged. Even in the winter!

Patch tests please remember that for first time clients of the following treatments, a patch test must be taken 24hrs before the treatment: I.P.L, EYELASH/BROW TINTING AND FAKE BAKE.

Lastly to ALL clients please arrive **15 mins** prior to treatment so that you can fill out a consultation card, and ensure we are kept on time.
